**Errata 2 – 2017-2018 Graduate Bulletin**

**Issued: 10/5/17**

**CHANGE 1:**

**Urban and Economic Development, PBC (PSC), (18)**

**Corrected:**

The Post-Baccalaureate Certificate in Urban and Economic Development requires 18 semester hours and is offered jointly by the departments of Political Science and Geography. It is designed to meet the training needs of those currently working in or planning to work in urban planning or community and economic development. This certificate requires courses emphasizing the knowledge and skills to prepare students to work in organizations focusing on urban planning and community economic development activities in government and nonprofit organizations.

**Application and Admission**

For information regarding deadlines and requirements for admission, please see the Guide to Graduate Admissions. In addition to the application materials required by The Graduate School, applicants must submit a personal statement.
