Student Agreement:

I hereby certify that, if appropriate, I have obtained and attached hereto written permission statements from the owners of each third party copyrighted matter to be included in my thesis or dissertation, allowing distribution as specified below. I certify that the version I submitted is the same as that approved by my committee. Except for material for which a license has been obtained, I warrant that I am the sole owner of my contribution to the thesis or dissertation and have full power and authority to make the agreement; that the contribution does not infringe any copyright, violate any property rights, or contain any scandalous, defamatory, or unlawful matter. I will defend, indemnify, and hold harmless the University of North Carolina at Greensboro and/or its licensees against all claims, costs, damages, and expenses that the University of North Carolina at Greensboro and/or its licensees may sustain by reason of any scandalous, defamatory, or unlawful matter contained or alleged to be contained in the thesis or dissertation or any infringement or violation by the contribution of any copyright or property right. I hereby grant to The University of North Carolina at Greensboro and its agents the non-exclusive license to archive and make accessible, under the conditions specified below, my thesis or dissertation in whole or in part in all forms of media, now or hereafter known, and I hereby give my consent under the Family Education Records Privacy Act for the unrestricted publication of my thesis or dissertation after the expiration of any embargo period specified below. Additionally, I understand and agree that, as a condition of enrollment, UNCG retains a shop right* to use all student works generated in the course of their academic work at the University, including my thesis or dissertation. Except as previously specified, I retain ownership rights to the copyright of the thesis or dissertation. I also retain the right to use in future works (such as articles or books) all or part of this thesis or dissertation.

In addition to the unrestricted display of the abstract and bibliographic information, I agree that the above mentioned document be placed in the ETD archive with the following status (choose one):

- 1. Release the entire work immediately for access worldwide.
- 2. 1 Year Embargo—In cases where publication, confidentiality, commercial interests or property rights merit that the text of a thesis or dissertation be unavailable to the public, you may request this option. For students needing a no access/patent or proprietary hold, the embargo secures the text until notification by the Office of Technology Transfer for a maximum of 1 year. When the 1 year embargo expires, The Graduate School will release the work for access worldwide. This option requires the approval of The Graduate School. Please contact the office for additional information.
- 3. 2 Year Embargo— In cases where publication, confidentiality, commercial interests or property rights merit that the text of a thesis or dissertation be unavailable to the public, you may request this option. For students needing a no access/patent or proprietary hold, the embargo secures the text until notification by the Office of Technology Transfer for a maximum of 2 years. When the 2 year embargo expires, The Graduate School will release the work for access worldwide. This option requires the approval of The Graduate School. Please contact the office for additional information.

The signature below indicates my agreement to abide by the statements above. If I choose any option other than worldwide release, I understand that it is my responsibility to submit the required forms and receive approval prior to the final submission of my ETD to The Graduate School.
